USMLE Board Review coming soon!!

Al-Farabi Kazakh National University is hosting a special event with

WOLFPACC, October 8-12, 2018

Join Hans Wolf, M.D. (CEO/Founder of WOLFPACC) for a special one week event on the United States Medical Licensing Exam.

Learn about the common mistakes made when preparing for the USMLE. Sample lectures of high yield topics will be presented throughout the week. USMLE question techniques and strategies on how to dissect the questions will also be addressed. This event has open forum times to address any questions or misconceptions about board preparation.

Don't miss this rare opportunity to meet Dr. Wolf in person and learn about his philosophy. WOLFPACC has achieved worldwide success and now the opportunity will be here.

Presentation times: Monday – Friday, 8:00 am – 1:00 pm
