

FIRST INFORMATIONAL LETTER
INTERNATIONAL SCIENTIFIC AND PRACTICAL
CONFERENCE
«MODERN PROBLEMS OF BIOTECHNOLOGY:
FROM THE LABORATORY RESEARCHES TO PRODUCTION»
III INTERNATIONAL FARABI READINGS
April 5-6, 2016 Almaty, Kazakhstan

Dear colleagues!

We invite you to take part in the International scientific and practical conference "Modern problems of biotechnology: from the laboratory researches to production", dedicated to the 75th anniversary of outstanding scientist, microbiologist, academician of Kazakhstan National Academy of Natural Sciences, the best teacher of the university - 2007, doctor of biological sciences, professor Zhubanova Azhar Akhmetovna.

As scientific papers and reports on the conference it can be presented scientific works of theoretical, experimental and applied nature and also scientific inventions.

Looking forward to seeing you at the conference!

Organizing Committee

Conference organizers

- Al-Farabi Kazakh National University
- Faculty of Biology and Biotechnology
- Research Institute of Biology and Biotechnology
- Research Institute of Ecology

| • K.A. Muhataeva | • N.K. Bektleyova |
| • A.K. Ernazarova | • M. Bauyenova |

Conference sections

- **Section №1.** Biotechnologic and genetic potential of plants, animals and microorganisms.
- **Section №2.** Actual problems of environmental biotechnology and bioenergy.
- **Section №3.** Practical solutions for the creation of new biotech drugs for medicine, veterinary medicine and agriculture.
- **Round table** on the discussion platform G-Global.

The main topics of the round table:

- Problems of modern industrial preparation of Biotechnologists in secondary and higher education in accordance with the requirements of employers.
- The role of international cooperation in the training of modern specialists-biotechnologists and development and promotion of domestic biotech products on the international market.

- The role of international cooperation in the training of modern specialists-biotechnologists, development and promotion of domestic biotech products on the international market.

Important dates

February 25, 2016
Abstract submission deadline

April 5, 2016
Conference date, Sections begin

April 6, 2016
Round table conference

According to the results of expert assessment of submitted abstracts and reports it will be selected materials for publication in the following journals:

- Bulletin of the KazNU. Biological series (recommended MES RK).
- Bulletin of the KazNU. Environmental series (recommended MES RK).
- The scientific Eurasian Chemico-Technological Journal, included in the database Scopus. As of 2013, SJR indicator is 0.13.

Official languages: Kazakh, Russian and English.

Registration form (application)

FullName	
Degree	
Position	
Fullnameoforganization	
Country, region, city	
Address of organization	
Phone (withcity code)	
E-mail:	
Title of the article (report)	
Coauthors	
The proposed form of participation (full-time, part-time)	

Proposed section (themes)	
Hotel reservation (yes / no)	

All materials submitted for publication, should have both theoretical and practical value, and correspond to the topics of selected section.

Accepted for publication materials presented with the following requirements:

Title of the thesis in capital letters, font Times New Roman, 14, typed in Microsoft Word.

Information about the author (s). Full name of Author, science degree, company name, e-mail address.

The text of the thesis. The abstract should not exceed 300 words, font Times New Roman, 12.

Formuly- in the formula editor MS equation 3.0 or the program MATH TYPE.

Fields of pages must comply with the following values:

- top - 25 mm,
- bottom - 25 mm,
- left and right - by 20 mm;

Alignment: the whole text (with the title and subtitles) - to the left, without hyphenation.

The registration fee of the conference.

Conference registration fee is 5000 tenge. Banking details for transfer are indicated below.

To pay in other currencies, registration fee is 30 USD and can be paid at the time of the conference.

Bank details

Bank account

BIN 940 140 000 385

IIC KZ 956010893100109405

The beneficiary's bank: JSC Halyk Bank of Kazakhstan

BIC: HSBKKZKX

The Republic of Kazakhstan, Almaty,

Rozybakieva str., 101

After paying the registration fee, please send a scanned copy of the payment document
