with
Minisymposium on Approximation Theory and **Minisymposium on Math Education**

Official Acceptance and Invitation Letter

Dear Konyrkulzhayeva Maral Nurlanovna,

Kazakh National University , Almaty, Kazakhstan

We are happy to inform you that your study entitled**:"Green's function of the Dirichlet problem for the differential operator on a star-shaped graph"** has been accepted after review for oral presentation in **International Conference on Mathematics:** *An Istanbul Meeting for World Mathematicians*, **2-10 July, 2018, Istanbul, Turkey.** Therefore, we invite you to present your study in ICOM.

The conference aims to bring together leading academic scientists, researchers and research scholars to exchange and share their experiences and research results about mathematical sciences.

Unfortunately, we are not able to cover your conference registration fee, accommodation and other expenses related to your travel and staying in Istanbul, Turkey.

Thank you very much for your interest in **International Conference on Mathematics:** *An Istanbul Meeting for World Mathematicians* and we are looking forward to see you in Istanbul, Turkey.

Best Regards
On Behalf of the Organizing Committee
Kenan Yildirim, Ph.D.
Conference Chairman
