

Accreditation Certificate

for the

degree programme

„Thermal Power Engineering“

(Master of Science in Thermal Power Engineering)

at the

al-Farabi Kazakh National University

The award of the subject-based ASIIN seal is valid from 26 September 2014 and limited until 30 September 2020.

The degree programme includes the following options: full time path.

The degree programme is aligned to Level 7 of the European Qualifications Framework for Life-long Learning (EQF LLL).

The accreditation also applies for the following individual educational trajectories in elective modules:

- Thermal Power Engineering and Thermotechnics
- Thermophysical Processes in Power Energy

25 July 2016

Prof. Dr. Hans-Joachim Bargstädt
Chairmen of the Accreditation Commission for Degree Programmes

Prof. Dr. René Matzdorf

Dr. Iring Wasser
Managing Director

The ASIIN seal is awarded to a degree programme which fulfills the requirements of academia and professional life in the respective disciplines on a high level. At the same time it confirms that the conditions for good teaching and successful learning are provided. The award of the label is based on recognized learning-outcome oriented subject-specific standards aligned with the European Qualifications Framework and the „European Standards and Guidelines“.
