INFORMATION LETTER

DEAR COLLEAGUES!

We invite you to participate in the International scientific and practical conference X Zhandayev readings «**Geographical Science of Kazakhstan in the Modern World**».

The conference will be held online from December 11 to 12, 2020.

It is planned to work in the following directions:

- Modern problems of state and cross-border specially protected natural territories (SPNAs);
- Global and regional problems of nature management;
- Ecotourism in Kazakhstan – principles of development, placement, study;
- Digitalization of Kazakhstan – content, problems, achievements and prospects;
- Content and role of cartographic monitoring in solving the problem of sustainable development of geosystems;
- Current state of geodetic networks on the territory of the Republic of Kazakhstan and problems of their modernization.

Forms of participation in work of a conference:

- the report at a plenary session;
- the report at a section meeting;
- participation in work of a conference without report;
- the publication without internal participation in work of a conference.

Working languages of a conference: Kazakh, Russian, English.

All conference papers will be published as an electronic collection, which will be published on the website. The link will be sent out after the conference. Selected articles (reports) by the decision of the organizing Committee will be recommended for publication in the "KazNU Bulletin: Geography series". The requirements for a scientific article to be published in the journal of KazNU Bulletin can be found at the link: <https://bulletin-geography.kaznu.kz/index.php/1-geo/about/submissions>. Payment for publication in the journal is 500 tenge per page.

Persons who wish to participate in the conference should send an e-mail to the Organizing Committee: application for participation in the conference and materials for publication by **5.12.2020**.

APPLICATION FOR PARTICIPATION IN CONFERENCE

Surname _____

Name _____

Middle name _____

If you have any questions about the conference, please contact Temirbayeva Kamshat, 8(727)2211224;

REQUIREMENTS FOR THE DESIGN OF MATERIALS

ARTICLE STRUCTURE

The text of the article should include the following mandatory elements:

- **IRSTI.** The public domain online <http://grnti.ru/> or the authors can also get the Interstate rubricator of scientific and technical information (IRSTI) code in the library), alignment - on the left, font - bold.
- Should reflect the essence and content of the article and should be brief, informative and not contain jargon or abbreviations. The optimal length of the title is 5-7 words (in some cases 10-12 words). The title of the article should be presented in Russian, Kazakh and English. The title of the article appears in bold in lowercase letters, alignment in the center.
- **Author names and affiliations** (in Russian, Kazakh and English) – complete author(s) name(s), academic title, academic degree, job affiliation, city, country, e-mail, ORCID or Research. Information about the authors is presented in normal font in lower case letters, alignment - in the center.

- **Corresponding author.** Clearly indicate who will handle correspondence at all stages of refereeing and publication, also post-publication. This responsibility includes answering any future queries about Methodology and Materials. **Ensure that the e-mail address is given and that contact details are kept up to date by the corresponding author.**
- **Abstract.** 150-500 words in Russian, Kazakh and English.

Has to be explained:

- Introduction to the topic of research.
- Purpose, main directions and ideas of scientific research.
- A brief description of the scientific and practical significance of the work.
- A brief description of the research methodology.
- Main results and analysis, conclusions of the research work.
- The value of the study (the contribution of this work to the relevant area of knowledge).
- The practical significance of the work.
- **Keywords.** 150-500 words (in Russian, Kazakh and English).

Article has to contain: Introduction. Materials and methods of research. Results. Conclusions. References.

IRSTE indicate the number according to the classifier

Title of the article (Heading), 7-10 words

^{1*} Full Name (<https://specify.orcid.org>), ¹ Full Name (<https://specify.orcid.org>),
² Full Name (<https://specify.orcid.org>),

^{1*} place of work (affiliation), city, country, email

² place of work (affiliation), city, country, email

place of work (affiliation), city, country, email

Key words: 7 words.

Мақала атавы (тақырып), 7-10 сөз

^{1*} Аты-Жөні, Тегі, ¹ Аты-Жөні, Тегі, ² Аты-Жөні, Тегі,

^{1*} жұмыс орны (аффилияция), қала, ел, email

² жумыс орны (аффилияция), кала, ел, email

Түйін сөздер: 7 сөз.

Название статьи (Заголовок), 7-10 слов

^{1*} И.О. Фамилия, ¹ И.О. Фамилия, ² И.О. Фамилия,

^{1*} место работы (аффилияция), город, страна, email

² место работы (аффилияции), город, страна, email

Ключевые слова: 7 слов.
