

Microsoft Teams

Создание задания

The screenshot shows the Microsoft Teams interface for creating a new assignment. The top navigation bar includes 'Общий' (General), 'Публикации' (Posts), 'Файлы' (Files), 'Записная книжка кла...' (Classroom), 'Задания' (Assignments), and 'Оценки' (Grades). The 'Задания' tab is active. In the top right corner, there are icons for sharing, refreshing, and a 'Встреча' (Meeting) button.

The main content area shows a 'Новое задание' (New assignment) form. At the top right of the form, there are three buttons: 'Удалить' (Delete), 'Сохранить' (Save), and 'Запланировать' (Schedule), with the 'Запланировать' button circled in red. Below these buttons, the text 'Сохранено: 21 окт. в 0:31' (Saved: 21 Oct. at 0:31) is displayed.

The form includes a 'Заголовок (обязательно)' (Title (required)) field with the text 'The exercise questions which will cover the material in Lecture 6'. Below the title field is a 'Добавить категорию' (Add category) button. The 'Инструкции' (Instructions) field contains the following text:

Fill in the blanks:

1. Vacuum distillation is a continuation of the crude oil at high temperatures, thus avoiding _____
2. The lower the pressure at which the liquid is, the _____ (higher/lower) its boiling point.
at. The higher the pressure in the vacuum distillation column, the _____ (higher/lower) the boiling point of the light fraction at the same feed rate and feed temperature.
3. The products leaving the vacuum distillation unit are called _____, _____ and _____
4. To reduce the volume of the light fraction of vacuum distillation at the same feed rate of the raw material, it is necessary either to _____ the pressure in the column, or to _____ the temperature of the raw material entering the column.

Below the instructions field is a 'Добавить ресурсы' (Add resources) button. At the bottom of the form, the 'Баллы' (Points) field is set to '3'.
