Information about authors:

Kudaibergenov, Nurbolat Zharylkasynuly — PhD, senior researcher of the laboratory “petrochemical syntheses” of the Center for physical and chemical methods of research and analysis at Al-Farabi Kazakh National University, Kazakhstan, Tole bi str., 96A. E-mail: n.zh.kudaibergenov@gmail.com; <https://orcid.org/0000-0002-4641-6779>

Shalmagambetov, Kairzhan Mustafinovich — Doctor of Chemical Sciences, Head of the laboratory “petrochemical syntheses” of the Center for physical and chemical methods of research and analysis at Al-Farabi Kazakh National University, Kazakhstan, Almaty, Tole bi str., 96A. E-mail: kairzhan@yandex.ru; <https://orcid.org/0000-0002-5660-9208>

Vavasori, Andrea — Doctor of Sciences, Professor of Department of Molecular Science and Nanosystems, Ca’ Foscari University of Venice, Venezia, Italy. E-mail: vavasori@unive.it; <https://orcid.org/0000-0002-3823-9952>

Zhaksylykova, Gulbanu Zhaksylykovna — Candidate of Chemical Sciences, Senior researcher of the laboratory “petrochemical syntheses” of the Center for physical and chemical methods of research and analysis
