

Campus-in-Campus (CiC)

The Campus-in-Campus (CiC) Initiative is a scheme of sharing campuses among the partner universities with a purpose of utilizing our respective research and educational resources without any national or institutional barriers. Moreover, through the CiC scheme, partner universities are highly expected to enhance the mobility of exchange students, faculty members and administrative staff. By AY2023, we plan to establish CiC in 13 of our overseas partners.

1. 2015, February: The rectors of al-Farabi KazNU and the University of Tsukuba Mutanov G.M., and Nagata Kyosuke has signed a Memorandum of Cooperation "Initiative of the Campus in Campus".
2. 2017, December: Dean of the faculty of Oriental studies, Yktyar P., Head of Far East Department Yem N.B., and senior teacher of Japanese language of al-Farabi KazNU, PhD Ninomiya T., visited a meeting with representatives of the University of Tsukuba. The purpose of the visit was to talk about «CIC program".
3. 2018, September: Head of the Far East Department Em N.B., and PhD Ninomiya T. took part in the conference "Tsukuba Global Science Week". They had a conversation about "Campus-in-Campus" with the Professor Ikeda and Professor Higashi of the University of Tsukuba.
4. 2019, March: The first Vice-rector of KazNU Burkitbayev M., with the heads of departments of chemistry and chemical technologies, physics and technology, mechanics and mathematics and teachers of the Far East Department Borankulova S. and T. Ninomiya held negotiations for the conclusion of the contract.
5. 2019, February: The first Vice-rector of KazNU Burkitbayev M., with the heads of departments of chemistry and chemical technologies, physics and technology, mechanics and mathematics and teachers of the Far East Department Borankulova S. and T. Ninomiya held negotiations for the conclusion of the contract.
6. 2019, September: On the behalf of President of the University of Tsukuba, Nakaga Kyosuke, Vice-president, BENTON Caroline signed the Memorandum of Cooperation in "The Campus in Campus program" with the rector of Al-Farabi KazNU, Mutanov G.M.

Al-Farabi Kazakh National University

Al-Farabi Kazakh National University is the leading institution of the system of higher education of Kazakhstan. In the university, more than 27,000 students and masters, with around 2,000 overseas students, study at the multilevel system of higher professional education. According to the QS World University Rankings, the university has kept its foothold among the top 250 universities.

University of Bordeaux

Ranked among the top universities in France for the quality of its academic courses and research. A multi-disciplinary, research-focused, international institution. It has more than 50,000 students, including almost 6,000 international students.

National Taiwan University

A public co-educational research university. Highly respected across the world, ranked among top 100. Has over 33,000, including over 17,000 university students and 15,000 graduate students.

University of Sao Paulo

The largest Brazilian public university and the country's most prestigious educational institution. Ranked as number one in Latin America. It has about 90,000 students in its 8 campuses.

Universiti Teknologi Malaysia

A leading innovation-driven entrepreneurial research university in engineering science and technology. More than 20,000 students out of whom 5,000 are international. In collaboration with Japanese educational institutions, UTM has established Malaysia-Japan International Institute of Technology at its International Campus.

University of California Irvine (CiC Research Partner)

A public research university. Consistently ranked among the nation's best universities. It is also one of the top research universities in the world with an internationally recognized faculty and integrated programs.

Utrecht University (CiC Research Partner)

Utrecht University is an international research university of the highest quality. This has been demonstrated for many years by its high positions in international rankings such as the Shanghai Ranking and the Times Higher Ranking. The University offers both graduate and undergraduate programmes and hosts more than 30,000 students.

Univ. Grenoble Alpes

Univ. Grenoble Alpes is well-known for its scientific and technological excellence as well as its potential for innovation. It brings together higher education and research establishments and provides multi-disciplinary educational opportunities at from bachelor to PhD. It has over 60,000 students, including 9,000 foreign students from 180 different countries.

Ohio State University

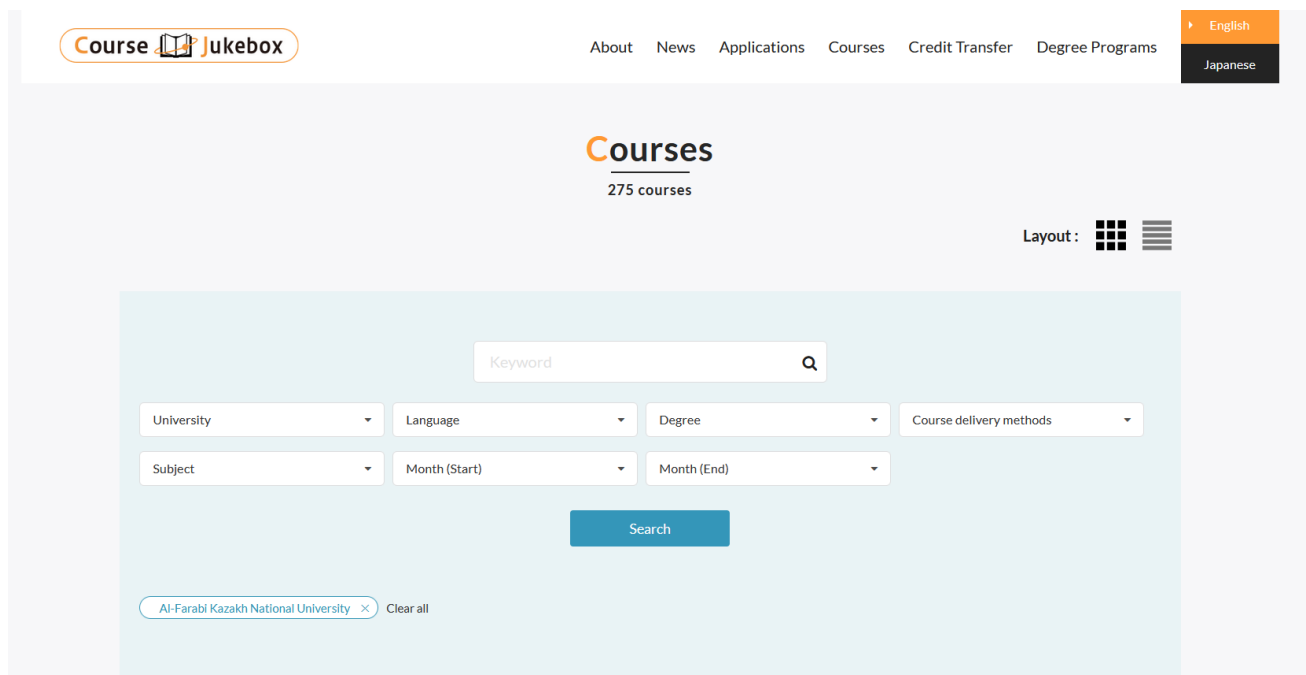

A top-20 ranked and one of the most comprehensive U.S. public research universities. Ohio State offers extensive academic and research opportunities through its 15 colleges and co-located medical center and premier cancer hospital and research center.

Ruhr University Bochum

Ruhr University Bochum, home to 5,600 staff and 43,000 students (incl. 6,300 international), is one of Germany's leading and most diverse research universities. We foster early career researchers and we provide an inspiring research oriented learning environment for people from all over the world, creating knowledge networks internationally.

Course Juke box

<https://cj.tsukuba.ac.jp/courses/?s=&univ=al-farabi-kazakh-national-university/>

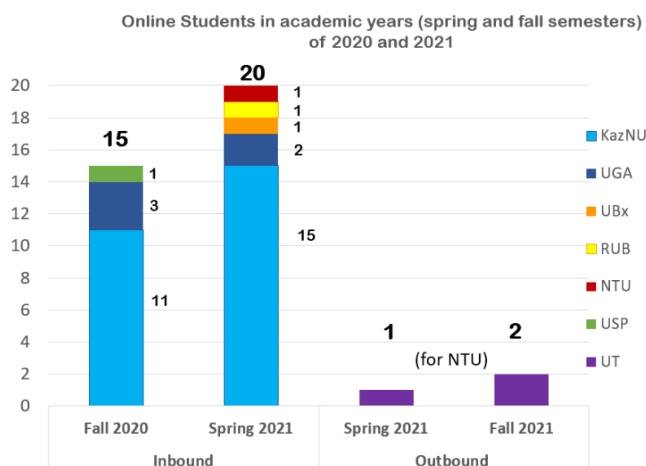

The screenshot shows the 'Course Jukebox' search interface. At the top, there is a navigation bar with 'Course Jukebox' and a search icon, and a language selector with 'English' and 'Japanese' options. The main heading is 'Courses' with '275 courses' listed below it. A 'Layout' selector is visible on the right. The search area includes a 'Keyword' search box with a magnifying glass icon, and several filter dropdown menus: 'University', 'Language', 'Degree', 'Course delivery methods', 'Subject', 'Month (Start)', and 'Month (End)'. A blue 'Search' button is positioned below the filters. At the bottom of the search area, there is a tag for 'Al-Farabi Kazakh National University' with a 'Clear all' link.

275 classes from Al-Farabi Kazakh National University.

Student Exchange Situation (Current situation)

Student Exchange Situation

IMAGINE THE FUTURE.

- Applications for Online Exchange Program (Fall 2021) were announced in June 2021, however this time there were no applicants from our partner universities.
- There have been 2 applicants from UT who engaged in online classes of NTU

• Applications for Online Exchange Program will be announced every year along with onsite applications.

• **Proposal from the UT side with the agreement from other CiC Partners**

Onsite Study for CiC Students shall not exceed two (2) semesters, one (1) year in total; whereas the duration of Online study will not be limited.

Al-Farabi Center in Tsukuba
