MY FIRST-YEAR EXPERIENCE

DATA-DRIVEN DECISION MAKING TRAINING

KAZNU IS THE LEADER IN THE RANKING OF UNIVERSITIES IN KAZAKHSTAN

All students experience academic pressure from parents and family, but thankfully I was not one of these students. Some students sacrificed so much, like not being able to participate in sports and after-school activities just to maintain a 4.0 GPA so their transcripts will be seen by the desired university.

On June 10, 2023, at 11:00 a.m., an offline training session will take place at the Al-Farabi Library of Kazakh National University as part of the third module "Data-driven decision making" of the "Academic Leadership Institute" program.

According to the results of the independent rating of demanded universities of the Republic of Kazakhstan in 2023, conducted by the Independent Agency for Accreditation and Rating (IAAR) accredited by the Observatory on Academic Ranking and Excellence (IREG), Al-Farabi Kazakh National University was recognized as the first and best university, scoring the highest number of points among other national universities of the country.
