

**MEMORANDUM of UNDERSTANDING**  
**Between Chiyoda Technol Corporation, Japan and**  
**Al-Farabi Kazakh National University, Kazakhstan**

30 March 2018

The Chiyoda Technol Corporation (CTC, Japan) and the Al-Farabi Kazakh National University, Kazakhstan (KNU, Kazakhstan), herein after referred to as the "Parties", willing to promote mutually beneficial cooperation on the base of Safe Application of Radiation Technology, have agreed as follows.

1. The Parties will explore the possibility of cooperation in the following fields:
  - a. Training on safe application of radiation technology and Japanese interpretation through the internship to CTC
  - b. Other items of mutual interest.
2. The Parties will carry out the cooperation under the Memorandum only for peaceful non-explosive purposes.

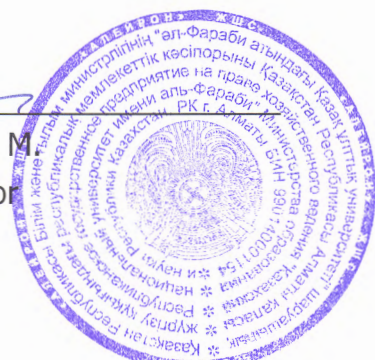

In WITNESS WHEREOF, the Parties have caused this Memorandum to be executed by their duly authorized representatives as the date written hereafter.

Done in Almaty/Tokyo, this 30 day of March 2018 in duplicate.
