

**MEMORANDUM OF AGREEMENT ON ACADEMIC EXCHANGE  
BETWEEN  
DEPARTMENT OF CHEMICAL ENGINEERING,  
TOKYO INSTITUTE OF TECHNOLOGY  
AND  
CHEMISTRY FACULTY,  
AL-FARABI KAZAKH NATIONAL UNIVERSITY**

Department of Chemical Engineering of Tokyo Institute of Technology (hereafter referred to as Dept. of Chem. Eng., Tokyo Tech.), Japan, represented by Chairman Prof. K. Ohtaguchi from one Part, and Al-Farabi Kazakh National University (hereafter referred to as KNU), Kazakhstan, represented by First Vice-Rector, professor Z.A. Mansurov from another Part, have agreed to develop scientific relations between Dept. of Chem. Eng., Tokyo Tech. and Chemistry Faculty of KNU as follows:

1. Dept. of Chem. Eng., Tokyo Tech. and Chemistry Faculty of KNU have agreed to develop academic exchange and cooperation in furtherance of advancement and dissemination of knowledge as follows:
  - a) to encourage and use their best endeavors to effect inter-institutional visits among its academic staff for purposes of teaching and research;
  - b) to promote collaboration in teaching and research programs;
  - c) to foster exchange and research activities of graduate students including internship or immersion programs;
  - d) to organize joint research projects and conferences;
  - e) to encourage the exchange of scientific materials, including publications and relevant teaching and research-related resources;
  - f) to assist each other in sourcing out funds for collaborative programs/activities.
2. This agreement will become effective upon the date of signature by the representatives of the two parties and will remain in force for a period of five years subject to amendment and/or modification at any time during the said period. After then this agreement can be extended for an additional period of 5 years. This agreement may be terminated at any time by mutual consent of both parties by written notice. The notice must be given at least six months before it becomes effective. Termination shall not affect the rights of anyone exchanged under this agreement prior to receipt of such notice.
3. This agreement shall be subject to review and renegotiation six months before the extension becomes effective. Should such a review not take place, the agreement will be automatically renewed.
4. The agreement is written in English and shall constitute the official text of the agreement.

Date: *Mar. 16, 2008*

Date: *16.03.2008*

K. Ohtaguchi  
Chair, Professor  
Department of Chemical Engineering,  
Graduate School of Science and Engineering  
Tokyo Institute of Technology

Z.A. Mansurov  
First Vice-Rector  
Al-Farabi Kazakh National University
