KAZAKH NATIONAL UNIVERSITY CELEBRATED THE NATIONAL HOLIDAY NAURYZ IN A NEW FORMAT

March in the history of independent Kazakhstan will be celebrated in a new format for the duration of the day.

Nauryz for Kazakhstan is a time not only of joyful expectations, but a time of reflection and implementation of plans for the future. Kazakhstanis will be happy to celebrate the last day of March-from 14 to 23 March.

During the year, the title "Nauryznama" was received. At a briefing in the central communications service under the president of the Republic of Kazakhstan, a new format of celebration of one of the main celebrations was presented, which was marked by national traditions and the general public, symbolizing the spring and beginning of the new year. According to Sabit Barlybayev, Deputy Chairman of the Culture Committee of the Ministry of Culture and Information of the Republic of Kazakhstan, the decade of Nauryznama

will embody a variety of cultural and traditional events designed to bring a new spirit and meaning to the celebration of Nauryz. Every day during the period was marked by the theme and value, the godliness and many years of Kazakh culture and society. From grace and cultural events to national trade and environmental action – the march year will bring all spheres of life to the public.

March 14 - seeing day-Amal feast March 15 - "Charity Day"

March 16 – "Day of Culture and national traditions" March 17 - "Shanyrak day"

March 18 - National Costume Day March 19 - Renewal day

March 20 - National Sports Day March 21 - Solidarity Day

March 22 - The beginning of the year March 23 - Day of purification

Kazakh National University did not stand aside. Every day, students and teachers of the UNESCO chair for Sustainable Development organized various events dedicated to a certain day of celebration in Nauryznama. The whole week was colorful with warm emotions, charity and culture of the Kazakh people. For example, students of the specialty "6B11201 Life safety and environmental protection" together with the adviser Kaldybaeva S. T. on March 15, in honor of the "Charity Day", distributed dates and water to students of dormitories No. 4 and No. 15 and employees. The following example is the undergraduates of the 1st and 2nd specialty 7M05209-Geoecology and environmental management, under the guidance of advisors Tussupova

B. H., Kurbanova L. S. did a great good deed by helping a single mother with many children living in Almaty.

On March 18 - 1st year students of the specialty "6B05202 Ecology" together with teachers of the department Daribayev Zh.E., Kutzhan A.N. and Zholdasbek A.E. celebrated the day of National Clothes, dressed in a national costume. The event was full of positive emotions, games and singing of the Kazakh folk song.

On March 20, in honor of the national sports Day, adviser Kerimkulova A.B. and 3rd year students of the specialties "6B05202 Ecology" and "6B05201 Geocology" organized a sports contest for students where everyone could distinguish themselves by sporting achievements.

And also on March 20, on the occasion of the Nauryz holiday meeting with 3rd year students "6B11202 Eco-engineering" and "6B11201 Life safety and environmental protection" and curator Bergeneva N.S., the main open lesson on the topic "Nur sebele, Ulystyn Uly kuni-Nauryz!" was held.

The national holiday Nauryz harmoniously fits into modernity, preserving ancient customs. The national treasury has presented traditions and rituals that are revered by the new generation.

Zholdasbek A.E. senior advisor
