INFORMATION FOR STUDENTS AND LECTURERS

From March 16, 2020, educational process and final control (exams) are carried out using distance educational technologies (DET) in two information and educational systems:

- Univer (univer.kaznu.kz),
- DLS MOODLE» (dl.kaznu.kz).

Special requirements are considered individually by each application of the faculty.

Also, staff can conduct current classes and intermediate control in individual learning environments:

- Open KazNU (open.kaznu.kz),
- Kazakhstan National Open Education Platform (moocs.kz),
- Oqulyq,
- MS Teams,
- Zoom,
- Google Classroom etc.
